

## COVID VACCINATION FACT SHEET (Tasmania)

**Dear students,**

The following message outlines some information on how ASOC will proceed with the training and assessment on ASOC's campus.

As you must be aware of, the Tasmanian Government is continuing to strengthen Tasmania's contact tracing capability for rapid response in the event of a COVID-19 case or outbreak. This will help to keep ourselves, our loved ones and our community safe and keep Tasmania open.

To comply with the requirements, all staff and students who enters ASOC campus must scan the QR code.

In order to ensure safety of our staff and students, we encourage students and staff members to get fully vaccinated as soon as possible. Vaccination against COVID-19 will help protect you, your family, and the Tasmanian community.
