

Update on COVID-19 (Novel Coronavirus)

Dear Students

If you have recently travelled from:

- **China**
- **South Korea**
- **Iran**
- **Italy**

You are required by the Government to self-quarantine for a period of 14 days. If at the end of that period students or members of their immediate family show no symptoms, they may return to classes.

Further to this, the School requests that any family returning from **Japan** to self-quarantine for a period of 14 days. If at the end of that period students or members of their immediate families show no symptoms, they may return to classes.

Please inform and send your itinerary (tickets) to admin team or trainer if you travelled from any of the above-mentioned countries.

For more information about Coronavirus (COVID-19), please visit website: <https://www.health.gov.au/.../novel-coronavirus-2019-ncov-hea...>

Thanks for cooperation
Australian School of Commerce
