Pre-Training Review (PTR)

The Pre-Training Review (PTR) is conducted prior to the enrolment into your course of studies to ensure that the training and assessment provided by Australian School of Commerce (ASOC) can meet the student's individual needs.

Before we make an offer, ASOC is required to review the student's current competencies, student needs, English level, digital literacy, support requirements and oral communication skills, to enrol them in the most appropriate course to achieve their intended outcomes.

* As part of this review, you will be required to complete a Language, Literacy, Numeracy, and Digital (LLND) skills assessment. This assessment helps ASOC determine whether you have the entry level skills required for your chosen course and if any additional support or reasonable adjustments are needed to assist you in achieving your learning goals.

If the LLND assessment identifies any areas where support is needed such as difficulties with reading, writing, numeracy, communication, or using digital tools ASOC will offer tailored support options, which may include a Support Plan or referral to additional resources.

If you require assistance at any stage, please refer to ASOC's Student Support and Welfare Policy for a full outline of available services. You may also contact our Student Support Team in person at reception or via email at apply@asoc.edu.au or support@asoc.edu.au.

As part of the PTR, students are also encouraged to inform ASOC of any religious or cultural needs such as prayer breaks or fasting requirements so appropriate support or adjustments (including access to our on-campus prayer room) can be arranged.

The pre-training review ensures that ASOC:

- understands the student's reasons for undertaking the course.
- ensures the suitability of the training for the students.
- understands the student's current competencies and, therefore provides opportunities for these to be assessed.
- identifies possible Recognition of Prior Learning (RPL) and/or Credit Transfer (CT), student's English level, oral communication skills, knowledge on Language Literacy and Numeracy skills.
- Assess your proficiency in English language, oral communication, and LLND core skills.
- check if the training and assessment strategies employed to deliver the course suits the student's needs, and
- provides relevant support required for the student to succeed in the course.
- Identify and arrange any necessary academic, digital, language, or wellbeing support for you to succeed.

Guidelines for PTR-To be filled up by students:

1. Students are required to fill up this PTR form and read all the details of the course, policies and procedures of the Institute before filling up the answers. Information can be made available from the Student Handbook/Student Prospectus and/or website.
2. Enrolment officer or representative will conduct PTR Interview via Telephonic Conversation or via Face to Face.
 - **PTR Interview conducted via Telephone-**If PTR Interview is conducted via telephone, Enrolment officer or representative will call the student and check student's identity like name, date of birth and/or course undertaken to ensure that the student has genuinely completed the information by himself/herself. For telephonic Conversation, a communication log will be retained as an evidence of student declaration in lieu of the student's physical signature e.g., through E-mail, call notes, etc. Response of the discussion will be recorded by the Enrolment officer or representative.
 - **PTR Interview conducted Face to Face-** During face-to-face PTR interview, Enrolment officer or representative will verify with the student if all the answers have been completed by the student. Discussion notes will be maintained and recorded by Enrolment officer or representative.
3. During both Telephonic and/or Face to face PTR Interview, Enrolment officer or representative will verify the answers provided by the student and check:
 - if the student is aware of the policies, procedures, and other information necessary for the students.
 - if the student has received true and accurate information and if they are suitable to undertake the course/s.
4. Enrolment officer or representative will ensure that PTR form received along with the application for admission form is completed by the student intending to apply for the course.
5. **If students have not received sufficient information i.e.,** are not aware of the policies, procedures, and other information necessary for students to make an enrolment decision to study at ASOC, Enrolment officer or representative will provide necessary information to the student required to make enrolment decision.
6. **For example: If students have answered "No" or have not answered the questions in the PTR form,** Enrolment officer or representative will provide students with true and accurate information so that students can make an informed decision about their enrolment in the courses at ASOC.
7. While conducting PTR, Enrolment officer or representative will take information from the Application for Admission form and Pre training review form to identify any support and needs required by the student which includes disability support, RPL/CT, English language support, etc.

8. At the final stage of the PTR, the Enrolment officer or representative will fill up the pre training evaluation checklist to ensure that the student is enrolled in a course suitable to his/her needs, abilities, and study/career goals, and to recommend appropriate learning or other support.

Please Note: Enrolment officer or representative will take holistic approach while assessing student's answers during Pre-Training Review by ensuring that all the answers provided by students aligns with their educational and future goals.

Enrolment officer or representative will have a thorough discussion with the student and offer support or guidance if required.

Language, Literacy, Numeracy and Digital Skills (LLND) Assessment

Students undertaking courses at ASOC must possess sound language, literacy, numeracy, and digital skills, as these are essential for successfully completing course-related tasks, assessments, communication, and the use of digital learning platforms.

- Language skills are necessary for understanding instructions and engaging in verbal communication.
- Literacy skills are required for reading course materials, writing assessments, and interpreting information.
- Numeracy skills are important for performing calculations, measuring, and managing tasks involving numbers.
- Digital skills are essential for navigating online systems, participating in e-learning activities etc.
- To determine each student's support needs and assess the suitability of the chosen training product, all prospective students are required to undertake a Language, Literacy, Numeracy and Digital (LLND) skills review prior to enrolment.

The LLND test will be conducted using an ACSF-mapped online assessment tool LLN Robot.

Based on the outcome of the review, students may be identified as requiring internal or external support services, and individual advice will be provided regarding the suitability of the chosen course.

All students are required to undertake this LLND assessment as part of the enrolment process.

Important Information for Students

Please read the below given information carefully before signing the application for admission form. Students may contact ASOC for any further information or email us at apply@asoc.edu.au. It is advisable to read Student handbook for detailed information available on ASOC's website www.asoc.edu.au.

Diversity and Inclusion Statement

ASOC is committed to creating a culturally safe, inclusive, and respectful learning environment. We honour and acknowledge the First Nations peoples of Australia the Aboriginal and Torres Strait Islander peoples as the Traditional Custodians of the lands on which we learn, teach, and live.

We value the diversity of our students and recognise the unique contributions of individuals from all backgrounds, including culturally and linguistically diverse (CALD) communities, people with disability, LGBTIQ+ individuals, and people of all faiths, genders, and socio-economic statuses.

We are dedicated to ensuring that every learner feels welcomed, supported, and empowered to succeed through inclusive practices and equitable access to education and support services.

Course Monitoring and Attendance Policy

Australian School of Commerce has a Course Monitoring and Attendance Policy which states that the students are required to maintain satisfactory course progress throughout the course. Students are also required to attend their classes and maintain 80% of attendance throughout the course. Low attendance implies that students might not be able to complete their course on time and this will lead to students breaching their visa conditions. Hence, students are required to attend classes in accordance with course timetables to make satisfactory course progress. ASOC is required to report students on the basis of unsatisfactory course progress for two consecutive study period to the Department of Home Affairs (DHA) via PRISMS.

Students enrolled in SIT (Commercial Cookery, Kitchen and Hospitality Management) courses must attend all kitchen practical to fully develop their culinary skills. Student's kitchen attendance will be monitored closely, and student missing kitchen's practical classes will be treated on a case-by-case basis. Student missing more than one kitchen practical class will not be allowed to sit in re-assessment but will be required to repeat the units as it will not be possible for students to develop the required skills without attending kitchen practical classes.

Satisfactory course Progress: where a student can meet course progress requirements for a study period as identified in the Training and Assessment Strategy for each course. Satisfactory course progress is defined as successfully completing or demonstrating competency in at least 50% of the units in the study period.

Note: Students will not be reported on the basis of attendance. However, low attendance may lead to unsatisfactory course progress which can lead to you being reported to the DHA.

If an overseas student is not attending scheduled classes, but is making satisfactory progress in their course, then the course duration set may not be suitable for that student—because this may mean that they already have the skills, knowledge and experience to progress in their course without receiving structured training.

ASOC will reduce the duration of the course to the minimum duration required, given the student's existing skills and knowledge, while maintaining a minimum of 20 scheduled course contact hours per week.

Refer to Course Monitoring and Attendance Policy available on website or refer to Student handbook available on website.

Transition of Training Products and Provider Changes

ASOC is committed to transparency and compliance with the Standards for RTOs 2025 and the National Code 2018. If any training product is superseded, deleted, or expired during your enrolment, or if operational changes occur that may affect your studies, ASOC will notify you as soon as practicable.

Where applicable, you will be transitioned to an appropriate replacement course within the allowable transition timeframe as published on the National Register (training.gov.au), unless you complete your current course before the transition period ends.

Please note that changes to training products or institutional operations may also result in adjustments to the course duration, fee structure, or delivery mode. Any such changes will be communicated clearly, and your rights under the ESOS Act 2000 and related policies will be upheld.

Student's enrolment will be cancelled after 21 days of final notice. Refer to Student handbook or Fee Payment and Refund Policy available on website www.asoc.edu.au for more details.
